Compucorp®

PAGE 1 LINE 24 CHAR 11
Dear Mr. Smith:
Thank you for your interest in the Compucorp 600 Series Word Processing System. It gives us great pleasure to learn that the features most appreciated by you are:
1. The compact, modular and attractive styling,
2. The ease of operation, and,
3. Its capabilities which fulfills both your current and future needs.
The software-based operating system assures you that your system may acquire all additional capabilities to be developed in the future.
